	July 7-11	Consults	R2	Research	Research	Research	Research
1b	July 14-18	Consults	R2	Research	Research	Research	Research
	July 21-25	Vacation	R2	Research	Research	Research	Consults
2a	July 28-August 1	Vacation	R2	Research	Research	Consults	Research
	August 4-8	R2	Consults	Research	Research	Research	Research
2b	August 11-15	R2	Consults	Research	Research	Research	Research
	August 18-22	R2	Consults	Research	Research	Research	Research
3a	August 25-29	R2	Palliative	Research	Consults	Research	Research
	September 1-5	Consults	R2	Research	Research	Research	Consults
3b	September 8-12	Consults	R2	Research	Research	Research	Research
	September 15-19	Consults	R2	Research	Research	Research	Research
4a	September 22-26	R2	Vacation	Consults	Research	Research	Research
	September 29-October 3	R2	Vacation	Consults	Research	Research	Research
4b	October 6-10	R2	HemePath	Research	Vacation	Research	Consults
	October 13-17	Research	HemePath	Research	R2	Consults	Research
5a	October 20-24	HemePath	R2	Research	Consults	Research	Research
	October 27-31	HemePath	R2	Research	Consults	Research	Research
5b	November 3-7	Consults	R2	Research	Research	Research	Research
	November 10-14	R2	Consults	Research	Research	Research	Research
6a	November 17-21	R2	Consults	Vacation	Research	Research	Research
	November 24-28	R2	Research	Vacation	Consults	Research	Research
6b	December 1-5	BMT	Cytogenetics	R2	Consults	Vacation	Research
	December 8-12	Palliative	R2	Research	Research	Research	Consults
7a	December 15-19	Consults	R2	Research	Research	Research	Research
	December 22-26	Consults	R2	Research	Research	Research	Vacation
7b	December 29-January 2	R2	ID	Consults	Research	Research	Research
8a	January 5-9	R2	Consults	Research	Research	Research	Research
	January 12-16	Cytogenetics	Consults	Research	R2	Research	Research
8b	January 19-23	Vacation	BMT	R2	Consults	Research	Research
	January 26-30	Vacation	R2	Research	Consults	Research	Research
9a	February 2-6	ID	R2	Consults	Research	Research	Research
	February 9-13	R2	Research	Consults	Research	Research	Research
9b	February 16-20	R2	Consults	Research	Vacation	Research	Research
	February 23-27	R2	Consults	Research	Research	Research	Vacation
10a	March 2-6	Research	Blood Bank	Research	Research	R2	Consults
	March 9-13	Consults	Coags	Research	Research	R2	Research
10b	March 16-20	Consults	R2	Research	Research	Vacation	Research
	March 23-27	Blood Bank	Consults	Research	Research	Research	R2
11a	March 30-April 3	Coagulation	Consults	Research	Research	Research	R2
	April 6-10	R2	XRT	Research	Vacation	Consults	Research
11b	April 13-17	Consults	R2	Research	Vacation	Research	Research
	April 20-24	Consults	R2	Research	Research	Research	Vacation
12a	April 27-May 1	XRT	R2	Vacation	Research	Consults	Vacation
	May 4-8	R2	Consults	Vacation	Research	Research	Research
12b	May 11-15	R2	Vacation	Consults	Research	Research	Research
	May 18-22	R2	Vacation	Consults	Research	Research	Research
13a	May 25-29	Consults	Research	R2	Research	Vacation	Research
	June 1-5	Consults	R2	Research	Research	Vacation	Research
13b	June 8-12	Research	R2	Research	Consults	Research	Research
	June 15-19	R2	Consults	Research	Research	Research	Research
1a	June 22-26	R2	Consults	Research	Research	Research	Research
	June 29-July 3 ('15-'16)	R2	Consults	Research	Research		
Total Weeks	R2 Coverage Weeks	21	21+1 for 2015	3	3	2	2
	Consult Service Weeks	14+1 for 2015	14	8	8	4	4

*****Note*****

Duties of the *Consult* Service Fellow:

- 1) Carries and responds to consult service pager
- 2) Gain exposure to subspecialty clinics at HT8 clinic when schedules permit (including joining clinic huddle to find out patient load and procedure need whenever scheduling allows)
- 3) Perform consult service requests in a timely manner with consult attending supervision
- 4) Triage outside referral calls in consultation with HT8 Director, Dr. Egler and/or R2 attending
- 5) Assist NP/Inpatient team with procedures for both R2 / HT8 patients (when needed)
- 6) Answer R2 service pager in the afternoon on days when both R2 attending and fellow have same HT8 clinic.
- 7) Mentor Pediatric Resident / medical students on PHO elective rotations
